Potomac River Muskie Angler Catch Survey

Date	Location*	Number Of Anglers	Hours Fished	Length of Muskie Landed (total length to .25 inch)	Follows, strikes, hooked not landed	Tag #	Release or Kept
9-5-09	Middle River	2	8	32.25		none	R
				41		2010	R
10-2-10	Lower River	1	5	0	2 follows, 1 strike, 1 hooked		

Directions:

Location* – Lower River (downstream of Harpers Ferry), Middle River (Dam 3 to Dam 5), Upper River (Dam 5 to PawPaw), NBPR (PawPaw to Cumberland Dam)
Number of Anglers – how many anglers fishing for muskie during trip
Hours Fished – Total hours of fishing trip.
Muskie Landed – record the total length of each muskie landed during trip. Note if measured or estimated. **Record trips even if no muskie were caught.**
Tag # - If present, scrape algae off tag and record tag number. Tag will be located near the leading edge of the dorsal fin on the fish's left side
Release or Kept – put an "R" for released and a "K" for fish that are kept
