The Junior Rangers Park Pals program is a fun way for youth ages 3 - 6 to connect to the natural world around them through hands-on environmental education, recreational opportunities, crafts, and a conservation project. This program is aimed at getting each Park Pal acclimated to the outdoors and prepared for the Maryland Junior Rangers program. Upon completion of the program, each Park Pal will receive a certificate and pin.

The program will be spent outdoors as much as possible, even in wet weather, so please dress accordingly.
