* Service contract grants provided for sanitary services at publicly owned boating facilities are limited to a maximum of nine (9) months per boating season (March 1st – November 30th). Reimbursements will be made on a FY basis (Jul-Nov, Mar-Jun). This does not affect DNR sponsored projects such as marine sewage pumpout stations. **Grant balances not disbursed 2 months after the end of the FY are subject to immediate reversion by DNR.**

** The Department may expend a total of \$125,000 each fiscal year, for a total of (25) grants not exceeding \$5,000 each. Projects including, but not limited to, minor construction, repair and navigation at public boating facilities will be considered for 5k grant(s) and should be ready to proceed to construction. **Grant balances not disbursed after one year are subject to immediate reversion unless an extension is granted by the administration.**
