

PURPOSE OF THE OPEN HOUSE

We are providing information about recent activities in Maryland related to ocean planning and renewable energy.

Maryland is working to gather information about our ocean resources and would like your help and feedback – please feel free to tell us how you would like to receive updates and be involved in ocean planning and renewable energy.

THIS OPEN HOUSE WILL:

- 1) Show maps and provide information about Maryland's Ocean resources, human uses, and planning efforts
- 2) Demonstrate Maryland's Ocean mapping tools
- 3) Describe what Maryland is doing about renewable energy and how potential sites could be identified
- 4) Give you an opportunity to provide comments and tell us how you want to learn more and stay involved

If you have any questions, please feel free to ask a DNR or MEA staff member in attendance
