*Revised Spiny Dogfish Permit Application - 10/28/16*

The Secretary of Maryland Department of Natural Resources pursuant to Code of Maryland Regulations 08.02.05.24E(7) announces the opening of the spiny dogfish permit application period. Applications will be available on the Department's website at <http://dnr.maryland.gov/fisheries/Documents/SpinyDogPermitQualApp.pdf>. The application period will be extended, now closing on November 30, 2016. Applications must be received by the deadline of November 30, 2016 and should be sent to: Chris Jones, Permits Coordinator, at Maryland Department of Natural Resources, 580 Taylor Ave. B-2, Annapolis, MD 21401, or faxed to 410-260-8279. Applications will then be evaluated by the Department. Applicants will be notified of their status by the Department no later than January 13, 2017. The fax number has been corrected, the website updated and the deadline has been extended to accommodate for the miscommunication.
