

As of October 16, 2018 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **September crab** harvest reports from the following commercial fishermen. These reports were due to the Department on **October 10th**. If your name appears on this list and you have already submitted your September crab harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than October 31, 2018. If you continue to submit late reports for future months, it may result in your fishing license being suspended.

As of October 16, 2018 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **September crab** harvest reports from the following commercial fishermen. These reports were due to the Department on **October 10th**. If your name appears on this list and you have already submitted your September crab harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than October 31, 2018. If you continue to submit late reports for future months, it may result in your fishing license being suspended.

As of October 16, 2018 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **September crab** harvest reports from the following commercial fishermen. These reports were due to the Department on **October 10th**. If your name appears on this list and you have already submitted your September crab harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than October 31, 2018. If you continue to submit late reports for future months, it may result in your fishing license being suspended.

As of October 16, 2018 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **September crab** harvest reports from the following commercial fishermen. These reports were due to the Department on **October 10th**. If your name appears on this list and you have already submitted your September crab harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than October 31, 2018. If you continue to submit late reports for future months, it may result in your fishing license being suspended.

As of October 16, 2018 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **September crab** harvest reports from the following commercial fishermen. These reports were due to the Department on **October 10th**. If your name appears on this list and you have already submitted your September crab harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than October 31, 2018. If you continue to submit late reports for future months, it may result in your fishing license being suspended.
