

ATTENTION ANGLERS

TAGGING STUDY

Northern pike in Deep Creek Lake are currently part of an on-going research project. If you catch a tagged fish, we ask that you report it by calling 301-689-7168.

RECORD THE FOLLOWING INFORMATION:

1. TAG NUMBER
Vegetation may conceal tag but can be easily scraped away to reveal the number.
2. DATE CAUGHT
3. LOCATION OF CAPTURE
4. LENGTH, TO NEAREST ½ INCH
5. KEPT OR RELEASED

DO NOT REMOVE TAG FROM FISH

Once the information is recorded, we strongly encourage you to release all tagged fish so that we may continue to learn from them. Any angler who reports a tagged fish will be eligible for a reward.
