

Maryland Department Of Natural Resources

Fishing & Boating Services

Fee Fishing Lake Permit Application

INSTRUCTIONS

A fee of \$25.00 is required. Make a check or money order payable to The Department of Natural Resources.
 Mail to: DNR Fishing and Boating Services B-2, 580 Taylor Ave., Annapolis MD 21401, or Pay online at
<https://www.shopdnr.com/feefishinglakepermitfee.aspx>

THE FOLLOWING DOCUMENTS MUST BE MAILED/EMAILED TO: paylakes.dnr@maryland.gov

1. A map showing the location of the facility with directions from the nearest major roadway (initial application only).
2. A description of the fee fishing operation and a sketch of the facility, ponds, etc., including any inflow or effluent from the facility. (see page 2)
3. **Do you employ one or more persons? __ Yes __ No.** If yes, a certificate of compliance with state workmen's compensation laws pursuant to §1-401 of the Natural Resources Article, Annotated Code of Maryland is required. An employer-applicant may provide, as evidence of insurance, a workmen's compensation insurance policy number or binder number, in lieu of submitting a certificate of compliance.

IN ADDITION TO THE ABOVE THE PERMITTEE MUST:

1. Maintain shipping and receiving records by species of stocks on hand at the facility, and the distribution of fish or aquatic plants to or from the facility. All records shall be maintained at the facility, or at a specified location other than the facility and be made available to the Department of Natural Resources for inspection upon request. All fish received for stocking in the permitted enclosure shall be from an approved supplier: dnr.maryland.gov/fisheries/Documents/Approved_Fish_Suppliers.pdf
2. Notify the Department of Natural Resources immediately upon discovery of any disease affecting the fish or plants at the facility that has the potential to contaminate native or naturalized plants or animals. If an invasive/nonnative species as listed in COMAR 08.02.19 is found in the permitted enclosure, the species shall be euthanized onsite at the time of capture and not returned to any body of water in Maryland.
3. Submit an annual report of activities under the permit to paylakes.dnr@maryland.gov. (see page 3)
