

Striped Bass Industry Workgroup

The first [TFAC](#) striped bass industry workgroup meeting is currently scheduled for February 18th, at 6:00 pm in the C-1 conference room of the Tawes State Office Building in Annapolis. This meeting is not a review of the proposed regulations.

At the February 18th meeting we will review:

- the meeting schedule for the year,
- review topics for future discussion, and
- discuss potential methods of calculating tags to be issued to pound net fishermen.
