4.1.2. (a) At least five (5) days before the Commencement Date, Lessee shall deliver to Lessor an original or a signed duplicate copy of each such policy (or at Lessor's option, a certificate thereof), and (b) at least thirty (30) days before any such policy expires, Lessee shall deliver to Lessor an original or a signed duplicate copy of a replacement policy thereof (or at Lessor's option, a certificate thereof). Lessee shall be responsible for, and shall defend, indemnify and hold harmless the State of Maryland and the Department of Natural Resources, and its members, officers, agents, and employees against and from, any and all liability or claim of liability for personal injury, death or property damage (including reasonable attorneys' fees) arising out of the use, occupancy, conduct, operation or management of the Premises during the Term by Lessee or its agents, contractors, servants, employees, licensees, or invitees including but not limited to: (a) any breach or default by Lessee in performing any of their obligations under the provisions of this Lease or applicable law, or (b) any negligent or intentionally tortious act or omission. Lessee agrees that indemnification as described in this section shall further mean and include indemnification of any injury or harm occurring as a result of Lessee's use and occupancy of the Premises pursuant to this Lease, even if the injury does not become apparent or does not manifest until after expiration of this Lease.

4.3. Immunity. Nothing in this Section 4 shall constitute a waiver of any immunity which Lessor may be entitled to under the laws of the State of Maryland, as they may be amended from time to time.

Section 5. Improvements to Premises.

5.1. General. Lessee shall not make any alteration, addition or improvement, including permanent blinds or tree stands, to the Premises, nor raze any improvement, without first obtaining Lessor's written consent thereto, (which consent shall not be unreasonably withheld).

When Lessee desires to make minor alterations, improvements or additions to the Premises which will cause no disturbance to the existing conditions of the land, Lessee shall submit a detailed written request for approval to the Forest Manager at the notice address set forth in Section 12. The Forest Manager will use reasonable efforts to communicate Lessor's decision to Lessee within ten (10) days after receipt of a complete written proposal from Lessee.

Lessee acknowledges that pursuant to State Law a mechanic's lien may not be filed against State Property. Notwithstanding the foregoing, if a mechanic's lien is wrongfully placed on the property Lessee shall (a) immediately after it is filed or claimed, have released (by bonding or otherwise) any mechanics', materialmens' or other lien filed or claimed against any or all of the Premises or the Improvements, by reason of labor or materials provided for or about any or all of the Premises, or the improvements during the Term or otherwise arising out of Lessee's use or occupancy of any or all of the Premises, the improvements, and (b) defend, indemnify and hold harmless Lessor against and from any and all liability, claim of liability or expense (including, by way of example rather than of limitation, that of reasonable attorneys' fees) incurred by Lessor on account of any such lien or claim.

If Lessee fails to discharge any such lien within fifteen (15) days after it first becomes effective against any of the Premises, then, in addition to any other right or remedy held by Lessor on account thereof, Lessor may (a) discharge it by paying the amount claimed to be due or by deposit or bonding proceedings, and/or (b) in any such event compel the prosecution of any action for the foreclosure of any such lien by the lienor and pay the amount of any judgement in favor of the lienor with interest, costs and allowances. Lessee shall reimburse Lessor for any amount paid by Lessor to discharge any such lien and all expenses incurred by Lessor in connection therewith, together with interest thereon at the rate of twenty percent (20%) per annum from the respective dates of Lessor's making such payments for incurring such expenses.

Nothing in the provisions of this Lease shall be deemed in any way (a) to constitute Lessor's consent or request, express or implied, that any contractor, subcontractor, laborer or materialman provide any labor or materials for any alteration, addition, improvement or repair to any or all of the Property, or (b) to give Lessee any right, power or authority to contract for or permit to be furnished any service or materials, if doing so would give rise to the filing of any mechanics' or materialmens; lien against any or all of the Property or Lessor's estate or interest therein, or (c) to evidence Lessor's consent that the Property be subjected to any such lien.

5.5. Compliance with Maryland Historic Preservation Law. Lessee acknowledges that pursuant to the Annotated Code of Maryland, Article 83B Sections 5-617 and 5-618 Lessee shall, as early in the construction planning process as possible, using Lessor as a liaison, consult with the Maryland Historical Trust to determine if the proposed construction, alteration, or improvement to the Premises will adversely affect any improvement on the Premises that is listed in or is eligible for the Maryland Register of Historic Properties. If the Maryland Historical Trust recommends alterations to the construction plans, and such alterations are required by law or deemed advisable by Lessor, Lessee shall bear the entire cost of planning for and implementing such alterations.

Section 6. Maintenance and services.

Lessee shall maintain the Premises in a neat and orderly condition, ordinary wear and tear excepted. Lessee shall maintain all grounds in good repair and condition, and shall provide security necessary to keep the Premises in a safe and usable condition. Lessee shall post the Premises against all trespassers, using only those signs supplied by Lessor. Signs shall be at one hundred (100') foot intervals around the exterior boundaries of the Premises and shall only be attached to trees using aluminum or galvanized nails. Lessor shall have no responsibility or liability to maintain any outbuilding or structure on the Premises, and shall have the right to remove any outbuilding or structure that Lessor determines, at Lessor's sole discretion, is unfit or unsafe for use.

Section 7. Lessor's Retained Rights.

7.1. General. This Lease is for the sole purpose of granting Lessee the exclusive right to use the Premises for hunting as set forth in Paragraph 3.1 above. Lessee hereby acknowledges it is the intention of the parties that Lessor retains possessory rights in common with Lessee in and to the Premises, including the right of Lessor to use the Premises and permit the use of the Premises, except that Lessor shall not use or permit any party except Lessee to use the Premises for hunting purposes during the Term of this Lease. The rights conferred by this Lease are hereby strictly limited to those contained herein, and such rights shall be exercised by Lessee so as not to interfere with the rights of Lessor or any agent, representative, contractor or other member of the general public, authorized by Lessor to enter upon the Premises in the conduct of any of its operations and powers, including but without being limited to: (1) inspection of the Premises, (2) to make any alteration, improvement or repair to the Premises, (3) the harvesting of timber and planting of trees, (4) the cutting of fire lanes and other silvicultural activities and fire prevention practices, (5) any other ordinary timberland, general land management practices, (6) the provision of natural resource and recreational opportunities to the general public or any segment thereof, and (7) for fulfilling any other duties or obligations which Lessor has as an agency of the State of Maryland

Lessor retains the right to construct and access, and grant to others the right to construct and access, roadways, storm sewers, sanitary sewers, water lines, electric lines, gas lines and other public utilities, in and through the Premises. Lessee will not unreasonably refuse to join in any grant or dedication by the Lessor to the State, the County, any other municipal corporation, the public generally, and any public utility company, of an easement or other conveyance for roadways, storm sewers, sanitary sewers, water lines, electric lines, gas lines and other public utilities, in or through the Premises.

Section 8. Fire and other casualties.

8.1. Destruction of the Premises. If during the Term the Premises is damaged by storms or other casualty, Lessor shall have the option, in its sole discretion to (a) proceed to restore the Premises, only to the extent of insurance proceeds, if any, received by Lessor from the State Insurance Program, or (b) elect to terminate this Lease as of the date of this casualty.

In the event Lessor terminates this Lease, (a) Lessee shall pay to Lessor the Rent payable by Lessee hereunder and accrued through the date of such termination, (b) Lessor shall repay to Lessee any and all prepaid Rent for periods beyond such termination, and (c) Lessor may enter upon and repossess the Premises without further notice.

8.2. Lessee's negligence. Anything contained in any provision of this Lease to the contrary notwithstanding, if any such damage to the Premises is caused by or result from the negligent or intentionally tortious act or omission of Lessee, those claiming under Lessee or any of its officers, members, employees, agents or invitees, Lessee shall pay to Lessor upon demand the cost of (a) any repairs and restoration made or to be made as a result of such damage, or (b) (if Lessor elects not to restore the Premises) any damage or loss which Lessor incurs as a result of such damage.

Section 9. Condemnation.

9.1. Substantial Condemnation. If all or substantially all of the Premises are taken

by the exercise of any power of eminent domain or are conveyed to or at the direction of any governmental entity under a threat of such taking (each of which is herein referred to as a "Condemnation"), this Lease shall terminate on the date (hereinafter referred to as the "Vesting Date") on which the title to so much of the Premises as is the subject of such Condemnation vests in the condemning authority.

9.2. Less than substantial Condemnation. If less than substantially all of the Premises is taken, as aforesaid,

9.2.1. this Lease shall continue in full force and effect unless Lessee (a) reasonably determines that its ability to use and occupy the Premises, in substantially the same manner as contemplated in this Lease, has been and will continue to be substantially impaired after such Condemnation, and (b) notifies Lessor thereof within thirty (30) days after the Vesting Date, in which event this Lease shall terminate on the date set forth in such notice (which date shall be at least thirty (30) days and not more than ninety (90) days after the date on which such notice is given);

9.2.2. if this Lease is not terminated pursuant to the foregoing provisions of this subsection, the Rent (and each installment thereof) shall be abated from the Vesting date through the Termination Date in proportion to the reduction, if any, of the fair market rental value of Lessee's leasehold estate hereunder immediately before such Condemnation to its fair market rental value immediately thereafter (in each case assuming that such rental would be upon the terms and subject to the conditions set forth in the provisions of this Lease).

9.3. Condemnation Proceeds. Any proceeds from an award of damages given in connection with a condemnation shall become the sole property of and shall be paid directly to Lessor.

Section 10. Assignment and subletting.

10.1. General. Lessor's fee simple interest in the Premises may not be encumbered or subordinated by operation of this Lease or by any action taken by Lessee.

10.2 Lessee shall not be permitted to assign or sublet this Lease.

Section 11. Default.

11.1. Definition. It shall be an event of default ("Event of Default") if Lessee fails (a) to pay any Rent or other sum which it is obligated to pay by any provision of this Lease, when and as due and payable hereunder and without demand therefore, or (b) to perform any of its other obligations under the provisions of this Lease.

11.2. No grace period. Upon the occurrence of an Event of Default Lessor shall not be required to give Lessee any notice of default and Lessee shall not be entitled to any grace or cure period.

11.3. Lessor's rights on Event of Default.

11.3.1. On the occurrence of any Event of Default, Lessor may (subject to the operation and effect of the provisions of subsection 11.2.)

(a) terminate this Lease by giving written notice of such termination to Lessee, which termination shall be effective as of the date of such notice or any later date therefore specified by Lessor therein and upon such termination repossess the Premises in accordance with the requirements of applicable law; and/or

(b) pursue any combination of such remedies and/or any other right of remedy available to Lessor on account of such Event of Default under this Lease and/or at law or in equity.

Nothing herein contained shall limit or prejudice Lessor's right to damages, by reason of such termination or relieve Lessee from the requirements of Section 1.2 of this Lease.

11.3.2. In the event this Lease is terminated due to an Event of Default by Lessor, Lessee shall not be entitled to return of any Rent paid by Lessee to Lessor at the time of the termination.

11.3.3. On the occurrence of an Event of Default, Lessee shall, immediately on its receipt of a written demand therefore from Lessor, pay to Lessor, an amount sufficient to reimburse Lessor for (a) all expenses (including, by way of example rather than of limitation, any and all repossession costs, management expenses, operating expenses, legal expenses and attorneys' fees) incurred by Lessor (i) in curing or seeking to cure any Event of Default and/or (ii) in exercising or seeking to exercise any of Lessor's rights and remedies under the provisions of this Lease and/or at law or in equity on account of any Event of Default, and/or (iii) otherwise arising out of any Event of Default.

Section 12. Notices. Any notice, demand, consent, approval, request or other communication or document to be provided hereunder to a party hereto shall be (a) given in writing, and (b) deemed to have been given (i) forty-eight (48) hours after being sent by certified or registered mail in the United States mails, postage prepaid, return receipt requested, if to Lessor: Department of Natural Resources, c/o Maryland Forest Service, 580 Taylor Avenue, Annapolis, Maryland 21401, (410)260-8531 and if to Lessee:

Section 13. General.

13.1. Effectiveness. This Lease shall become effective upon and only upon its execution and delivery by each party hereto.

13.2. Complete understanding. This Lease represents the complete understanding between the parties hereto as to the subject matter hereof, and supersedes all prior written or oral negotiations, representations, warranties, statements or agreements between the parties hereto as to the same. No inducements, representations, understandings or agreements have been made or relied upon in the making of this Lease, except those specifically set forth in the provisions of this Lease. Neither party hereto has any right to rely on any other prior or contemporaneous representation made by anyone concerning this Lease which is not set forth herein.

13.3. Amendment. This Lease may be amended by and only by an instrument executed and delivered by each party hereto.

13.4. Applicable law. The provisions of this Lease shall be governed by the laws of the State of Maryland and the parties hereto expressly agree that the courts of the State of Maryland shall have jurisdiction to decide any question arising hereunder after all administrative remedies, if any, have been exhausted.

13.5. Waiver. Lessor shall not be deemed to have waived the exercise of any right it holds hereunder unless such waiver is made expressly and in writing (and no delay or omission by Lessor in exercising any such right shall be deemed a waiver of its future exercise). No such waiver made as to any instance involving the exercise of any such right shall be deemed a waiver as to any other such instance, or any other such right.

13.6. Severability. No determination by any court, governmental body or otherwise that any provision of this Lease or any amendment hereof is invalid or unenforceable in any instance shall affect the validity or enforceability of (a) any other such provision, or (b) such provision in any circumstance not controlled by such determination. 13.8. Termination for Convenience and Sufficient Appropriations. This Lease may be terminated by Landlord in accordance with this clause in whole, or from time to time in part, whenever Landlord determines that such termination shall be in the best interest of the State. Lessor shall give thirty (30) days notice of such termination. Lessor's financial obligations, if any, under this Lease are contingent upon sufficient appropriations made by the State of Maryland for the performance of this Lease by Lessor.

13.9. Recordation Prohibited. Neither party hereto shall record this Lease in the land records of the County in which the Premises is located, and any such recordation shall be an Event of Default under this Lease.

13.10. No Contingent Fees. Lessee warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than the Lessee's president or other authorized officer to solicit or secure this Lease, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or any other consideration contingent on the making of this Lease.
