Junior Rangers is a fun way for youth ages 6 - 13 to connect to the natural world around them through hands-on environmental education, recreational opportunities, crafts, and a conservation project. Upon completion of the program, each Junior Ranger will receive a certificate and patch (if eligible) at a graduation ceremony.

We will be spending as much time as possible outdoors, even in wet weather, so please dress accordingly. If you have questions, please contact:

Ranger Michael Hyde
