The Junior Rangers Park Pals program is a fun way for youth ages 3 - 5 to connect to the natural world around them through hands-on environmental education, recreational opportunities, crafts, and a conservation project. This program is aimed at getting your child acclimated to the outdoors and prepared for the Maryland Junior Ranger program.

We will be spending as much time as possible outdoors, even in wet weather, so please dress accordingly. If you have questions, please contact:

Ranger Michael Hyde
