## WHAT ARE JUNIOR RANGERS?!!?

Rangers and naturalists lead children and teens, ages 8-13 years, through the fundamentals of environmental education and stewardship. Junior Rangers can earn three achievement awards: Basic, Advanced, and Expert. Once they complete their Expert Achievement award, they begin to earn patches in our more self-guided levels, such as Naturalist, Explorer, Conservationist, and Guide.

Upon completion of this summer's program, Junior Rangers will receive a Membership card and 'Basic' level patch. They will then qualify to progress to the next level!

## WHAT ARE PARK PALS?!!?

The Park Pals program is offered to children 5-8 years of age and is aimed at getting younger children acclimated to the outdoors and prepared for the Junior Ranger Program. Join the Park Ranger, Naturalist, or Historian for great programs and adventures throughout the park.
