

Scales & Tales

MARYLAND STATE PARKS

Many people consider it a tremendous thrill to catch a glimpse of a mysterious owl as it flies across a dark country road at night, or to see a majestic hawk soaring high in the sky on a bright clear day. The Maryland Park Service Scales & Tales Program offers that opportunity for **everyone!**

Scales & Tales is presented in one of two formats. For smaller groups and individual classes, naturalists present programs highlighting several of the animals and their stories. For large crowds, displays are a wonderful way to see these fascinating creatures.
