

# 25th Anniversary of Wetlands and Wildlife Field Day

AT THE DEAL ISLAND WILDLIFE MANAGEMENT AREA IN DAMES QUARTER

## SEPTEMBER 18 AT 10 A.M.

*Please join the Maryland Department of Natural Resources, the Chesapeake Bay National Estuarine Research Reserve, and partners as we celebrate 25 years of Wetlands and Wildlife Field Day. This annual event gets all Somerset County fourth graders outside to experience marshes, interact with natural resource professionals, and learn the value of these special places to Maryland.*

## AT NOON

*Please join us for an optional field tour of local coastal resiliency projects, followed by a 3 p.m. reception to honor our long-standing Wetlands and Wildlife Field Day participants.*
