# MWDI's Annual Box & Kit Order

*November 6, 2018*

**MWDI is once again aggregating orders with its lumber purchase for public projects to provide wholesale pricing to private program sponsors. The lumber cost component reflects MWDI's expected direct costs for wood, shipping and waste. MWDI has made arrangements to have the wood cut into kits or assembled into boxes if preferred. The costs are the same as 2017.**

| | |
|---|---|
| Wood Duck Box assembled | $45.00 each |
| Wood Duck Box kit (buyer must assemble) | $38.00 " |
| Wood Duck box lumber (buyer must cut & assemble) | $30.00 " |

**Boxes / kits do not include predator guards or poles. Metal, cone shaped predator guards can be obtained for $14 + tax each from Phoenix Metals (Tammy Schaare 410-633-0685 ext 25. Tschaare@wemakeduct.com). Baltimore location. Shipping extra out of state. MWDI can likely assist pickup / delivery of the guards with or without the lumber, boxes or kits as we will have a supply in Rock Hall and Washington DC. Payment pre-delivery needed. Guards can fit 4x4" square or smaller round poles – specify style when placing the order.**

**Bluebird box lumber is $7.25, $11.00 per kit or $17 fully assembled.**

**MWDI expects the purchaser to pick up the boxes / kits in Rock Hall, Washington, DC, along Route 50 between these locations or between Salisbury and Easton if other delivery arrangements cannot be coordinated. Lumber will likely be available by early January, kits by early February and assembled boxes will be available by late February 2019.**

**WD box kits are approximately 22"tall x 9 1/4"wide x ¾" thick. BB box kits are made from 5 ½" x ¾" nominal width boards. Lumber is rough cut one side, kiln dried cypress supplied from South Carolina. MWDI's website, www.mwdi.net, has detailed assembly plans for the side door boxes.**

## Send an email to cliftonabrown@aol.com to place an order.

## Payment by check must be received by December 15, 2018

**Pre-payment is necessary, or the order will not be included.**
