

## Becoming an Outdoors Woman Rockfishing 101 Workshop Friday, July 19, 2019

Come learn the basics of catching Striped Bass (aka Rockfish) on the Chesapeake Bay with Captain Charlie and Captain Doug aboard the *Backdraft*. The *Backdraft* is a USCG Certified 46 ft x 15 ft bay built fiberglass charter boat.

The morning will start off indoors with an introduction to rockfish ecology/biology, and current Maryland regulations concerning rockfish. The captains will teach about the two main strategies of catching rockfish; trolling and live-lining as well as the different baits, lures, and techniques used.

After the morning class, participants will board the *Backdraft* and head out on the Chesapeake Bay to go fishing! Lunch will be provided on the boat. There is a working head (aka bathroom) on board for those who need it. Be prepared to spend a few hours on the water. Any rockfish caught on the trip will be filleted and distributed among participants that want to take fish home.

**Space:** 14 participants - *Due to limited space, priority will be given to those who have not participated in this workshop before. Previous participants are encouraged to register, however we will hold your registration forms until June 21. You will be notified if we have openings.*

**Cost:** \$125

**Location:** Tracys Landing, Anne Arundel County

**\*\*\*All fishing gear, lunch and licenses will be provided by *Backdraft Charter Fishing*\*\*\***
