

# MARYLAND EASTERN SHORE RIVERS and STREAMS

CBF TEACHER PROFESSIONAL  
DEVELOPMENT

## THREE CONSECUTIVE DAYS OF FIELD-BASED, COLLABORATIVE LEARNING.

How can we use Maryland State Parks to increase student engagement and set the stage for Meaningful Watershed Educational Experiences (MWEEs)? Come explore the beautiful and diverse ecosystems of Maryland's Eastern Shore on foot and by canoe! Discover the joy of learning and investigate opportunities to connect local resources to classroom content that create rich learning experiences outside of the classroom.

Cabin-style camping and meals provided.

**DATE:** August 6-8, 2024.

Tuesday-Thursday spent on Maryland's Eastern Shore.

**COST:** \$375. Teacher scholarships available, see more information at link below:

[2024 Scholarship Request Form](#)

**CREDIT:** Upon successful course completion, participants may be eligible for continuing education credit or contact hours. See details on the [Professional Learning Credits](#) page.
