(b) 3-day Waterfowl and Small Game license allows a nonresident to hunt all legal game in season for three consecutive legal hunting days except deer, black bear, and turkey. A Maryland Migratory Game Bird Stamp must also be purchased to hunt migratory game birds.

(c) Non-Resident Trapping License is required to trap furbearers in Maryland in addition to a nonresident hunting license and a furbearer permit.

3. REGULATED SHOOTING AREA License allows the hunting of pen-reared quail, pheasants, chukar partridge, turkeys, and mallard ducks on a regulated shooting area only. This license is not required if you have a Maryland resident or nonresident hunting license.

4. COMPLIMENTARY Licenses are available to former prisoners of war or 100% service connected disabled veterans. They are issued to Maryland residents and non residents who live in a state that offers the same privilege to a Maryland resident. The applicant for a complimentary license must provide a letter of disability or a letter of certification from the Veterans Administration with their initial application. **Available only** at the DNR Service Centers listed below. **NEW American Veterans Complimentary Hunting License:** American veterans who are officially deemed as unemployable by the U.S. Dept of Veterans Affairs, and whose state of residence extends similar privileges, are now eligible for a complimentary lifetime hunting license. Complimentary licenses are available only at the DNR Service Centers, by appointment only.

With certain exceptions, a person must now obtain (individually or through a group) a permit to hunt, chase or trap any furbearer (muskrat, beaver, raccoon, red or gray fox, opossum, mink, skunk, river otter, fisher, long-tailed weasel, coyote, bobcat), including persons participating in the unarmed chasing of fox and raccoons. This permit is also required for persons not required to have a hunting license (e.g. landowners hunting on their own property) and holders of senior lifetime hunting licenses.

Furbearer permits are issued to individuals (\$5) or groups (\$10). An association or group established for the purpose of chasing or hunting furbearers may secure a group permit. A group member or guest who participates in furbearer chasing or hunting with the group is not required to possess an individual permit.

No permit is required for individuals under 18; however, they must possess a valid hunter safety certificate and be accompanied by an adult 18 or older. A \$5 daily permit is available at the shooting range only.

3. Retriever Training Permit - A person can obtain this permit to buy, release and shoot pen-reared quail, chukar, pheasant and mallard ducks for training dogs. The trainer, or anyone assisting in the training, shall possess a valid hunting license or hunter safety certificate while training with a loaded gun. If the birds are held for more than 72 hours, a game husbandry permit is also required (contact 410-260-8540).

Waterfowl hunters participating in the Light Goose Conservation Order season must possess this annual permit. Participants will also be required to possess a valid Maryland hunting license (resident Delaware licenses are also acceptable) and a Maryland Migratory Game Bird Hunting Stamp.
