This Guide will review the renewal process for your Maryland Vessel Registration, with easy-to-follow, step-by-step instructions.

Make sure you have your Vessel Number and your Hull Identification Number (HIN) available. You will need both to complete your Vessel Registration Renewal.
To be eligible to renew your vessel registration online or through the MVA Kiosk, your vessel record must meet the following criteria:

- Be within the renewal time period
- Has an active status
- Previously completed a transaction for same vessel within the last 2 years
- No restrictions noted on your vessel record, or customer record
- Customer record must be complete with valid mailing address
- Vessel record must be complete with all required information
Look for Vessel Registration Renewal Link at bottom of the left hand column under the blue ADDITIONAL MD PRODUCTS. Click on Vessel Registration Renewal.
Enter and confirm your Email Address AND/OR your Phone Number, and press the NEXT button.
Now you will Enter your Vessel Number and the **Last 4 digits** of the Hull Identification Number (HIN).

Click Next to continue.

**Note:** Enter all or part of the Vessel Number, with or without spaces. (Example: MD 1234 S, MD1234S, 1234 S, 1234S)

Enter the last 4 digits of your Hull Identification Number (HIN).
If your vessel is **not** due for renewal at this time, you will see this message.
