CRABBING SEASON

April 1 to December 15

CRABBING LICENSES

A recreational crabber may crab without a license 24-hours-a-day, 7-days-a-week from docks, piers, bridges, boats and shorelines using only dip nets and any number of handlines catching up to 2 dozen male hard crabs and 1 dozen soft crabs and male peelers or a combination of male peeler and soft crab. A recreational license is not required in the Atlantic Ocean, coastal bays and their tributaries.

Recreational Crabbing License is required of persons catching crabs for recreational purposes in the waters of the Chesapeake Bay and its tidal tributaries using any of the following gear: (a) trotline, (b) collapsible traps, (c) net rings, (d) seines or (e) eel pots for catching the individual's own bait. Catch limits: more than 2 dozen with a limit of 1 bushel, more than 1 dozen with a limit of 2 dozen soft crabs or male peelers. License valid for one year from date of purchase.

Recreational Crabbing Boat License allows the purchaser, or if not onboard, any one individual on board the vessel to catch crabs for recreational purposes using the following gear: (a) trotline, (b) collapsible traps, (c) net rings and catch up to 1 bushel of male hard crabs (or 2 bushels if another license is on board) and 2 dozen soft or male peeler crabs or a combination of male peeler and soft crab. You may not use the gear above or have more than 4 dozen male hard crabs and 1 dozen soft or male peeler crabs on board the vessel unless either the boat is licensed or one of the individuals on board has an individual license. Valid for one year from date of purchase.

COMPLIMENTARY LICENSES

A complimentary license is available to Maryland residents who are 100% service connected disabled veterans or former prisoners of war. The license incorporates both the non-tidal angler's license, including the trout stamp and the Bay & Coastal sport fishing license. Applicant must furnish a letter of disability or a letter of certification from the Veterans Administration with their initial application.

Complimentary tidal and non-tidal licenses are also available to residents and non-residents who are blind.

REPLACEMENT DECAL

Only 1 Bay & Coastal Fishing Boat decal can be replaced per season.
