Workshops are free of charge.

Refreshments will be provided.

Details on Reverse

Please Register in Advance

DETAILS

The seminars will provide an introduction to the Clean Marina Program, its certification process and benefits. New participants are encouraged to ask questions and pursue Clean Marina certification this year. Commonly needed marina permits and plans will also be reviewed.

Free *Maryland Clean Marina Guidebooks*, staff training, and boater education materials will be provided. Managers of all sizes and types of marine facilities are encouraged to attend.

Additional topics include an outline of the legal process for removing abandoned boats, establishing mechanics' liens, and a new program for recycling shrink wrap in spring 2019!

Finally, each workshop will offer an optional tour of the host facility to highlight best practices at these certified Clean Marinas.

[Space is limited. Please register in advance.](#)

Send names and workshop date to Donna Morrow at donna.morrow@maryland.gov or call 410-260-8773. Confirmation and directions will be sent following registration.
