Proposed – Boating Speed Limit – Ocean City—Back Bay Areas.

The Secretary of the Department of Natural Resources proposes to amend Regulation .01 under COMAR 08.18.18 Ocean City—Back Bay Areas. The purpose of this action is to amend the existing Fenwick Ditch speed zone area by establishing a minimum wake zone near the southern end portion of the current Fenwick Ditch speed zone area. Thus, a portion of the current Fenwick Ditch area will continue to have a 6-knot speed limit zone effective at all times, while a southern-end portion will have a minimum wake zone. Comments concerning this regulation will be accepted through February 10, 2025. Please visit the Changes to Boating Regulations webpage for additional information at https://dnr.maryland.gov/boating/Pages/regulations/changes_boating.aspx#wcfd
