Fishing and Boating Services
Boating Speed Limit—Potomac River

The Secretary of the Maryland Department of Natural Resources proposes to adopt a new Regulation .07 under COMAR 08.18.21 Potomac River. The proposed action establishes a 6-knot speed limit in the Potomac River for the area surrounding the construction site of the Maryland Transportation Authority's Harry W. Nice/Thomas "Mac" Middleton Bridge Replacement Design-Build Project. The proposed speed limit will help protect all waterway users, employees, and contractors. This action has been developed in cooperation with the Maryland Transportation Authority and the U.S. Coast Guard. The proposed action was published in the Maryland Register on March 26, 2021. Comments concerning this regulation will be accepted through April 26, 2021. Please visit the Boating Regulations webpage for all information at <https://dnr.maryland.gov/Boating/Pages/regulations/home.aspx>.
