

PUBLIC NOTICE
The Maryland Department of Natural Resources
Fishing and Boating Services
Housekeeping — Report of Boating Accidents

The Secretary of the Maryland Department of Natural Resources proposes to amend Regulation .01 under COMAR 08.04.07 Boating Accidents. The purpose of this action is to align the Code of Maryland Regulations (COMAR) with current United States Coast Guard reporting requirements and the Maryland Annotated Code. Comments concerning this regulation will be accepted through May 22, 2023. Please visit the Boating Regulations webpage for all information at https://dnr.maryland.gov/boating/Pages/regulations/changes_boating.aspx#hrba
