Federal ID# \_\_\_\_\_

All marinas with a 2022 pumpout O&M grant application on file should submit a reimbursement invoice, even if no reimbursement is being requested. Reimbursement invoices will only be accepted from **NOVEMBER 15, 2022- JANUARY 15, 2023** and no reimbursement invoice will be processed without an approved pumpout O&M grant application on file. Only those marinas whose eligible expenses exceed their pumpout income are eligible to receive a reimbursement.

Amount Requested \$ \_\_\_\_\_

*Pumpout O&M grant worksheet must be attached. Maximum Reimbursement amount is \$2,500.00*

I hereby certify that the above information is true and correct, that I have met all the 2022 Pumpout O&M terms and conditions. I have attached a current W-9 to ensure my payment is processed correctly. I understand that the failure to include the all the request documentation for my reimbursement could delay the processing of my payment.
