

PUBLIC NOTICE
The Maryland Department of Natural Resources
Proposed Boating Speed Limit – Susquehanna River Rail Bridge Project

The Secretary of the Department of Natural Resources proposes to establish a speed zone for the area surrounding the construction site of the Susquehanna River Rail Bridge Project. Comments will be accepted through June 30, 2025. Please visit the Changes to Boating Regulations webpage for additional information at dnr.maryland.gov/boating/Pages/regulations/changes_boating.aspx#sr-am
