

## Talbot County – Miles River – Hunting Creek

### **What is the current regulation for the area?**

There is currently no speed zone regulation in the area.

### **What was requested?**

The Department received a request to establish a 6-knot at all times during the boating season speed limit in a portion of Hunting Creek.

### **Why was this change requested?**

The Requestor noted the following reasons for the request:

“The creek is very narrow here. We have trouble with jetskiers going too fast and getting too close to piers, etc..”

And

“Boaters and jetskiers go way too fast in this cove. And, they get too close to individual piers.”

### **Who will this affect?**

All boaters.
