

COMMON APPLICATION (PROPOSAL)

Linked Applicant Profile

Organization (Funding Recipient)

Primary Project Outcome

- **Choose the Primary Project Outcome:**
Choose the major goal of your project. Choose only one.
- **Choose the Primary Project Outcome – Shore Erosion Loan**

Proposal Title

Please use a different proposal title from past applications or add the FY to the title.

Property Background

Provide:

- History of the site
- When the property was purchased
- Changes observed over time
- Reason for retrofitting the shoreline
- Future plans for the property

Project Need or Problem

Identify the problem to be addressed. Will the project complement efforts to address stormwater, water quality, coastal hazards, flood mitigation, habitat restoration, etc.? Is the project in an identified hazardous area (i.e. Special Flood Hazard Area)?

Project Goals and Outcome(s)

Partner Roles

Explain the roles and responsibilities of each project partner, including:

- Collaborators
- Sub-awardees
- Contractors

Outreach

Provide details on:

- Planned education and communication activities
- Strategies for engaging BIPOC and marginalized community members
- How project outcomes can be transferred or replicated in other communities, agencies, or contexts

Project Sustainability After Grant-Term

Explain:

- How results will support or inform ongoing/future work
- Expected continued financial or technical support
- For design projects: identify construction funding
- For construction projects: describe long-term monitoring, care, and protection

Site Visit Information

- **If you had a site visit, list the DNR employee(s) who attended:**

Has a DNR representative visited your proposed site?

- ☐ Yes
- ☐ No

If yes, who was the DNR representative?

Contractor Status

Are you currently under contract or have you received quotes from a private design or marine contractor construction firm?

- ☐ Yes
- ☐ No

Program Acknowledgements

- **I understand that this loan program funds living shoreline projects only. Structural projects such as bulkheads & stone revetments are ineligible.**
 - ☐ Yes
 - ☐ No
- **I am aware that there is an administrative fee associated with the SEC loan (10%–3% sliding scale).**
 - ☐ Yes
 - ☐ No
- **I understand that the loan term ranges from 5–20 years and is determined by project type.**
 - ☐ Yes
 - ☐ No
- **I understand that there will be a title search performed.**
 - ☐ Yes
 - ☐ No
