

Let's Talk Trash!

A Review of the Chesapeake Bay Program's Scientific and Technical Advisory Committee Workshop on Microplastics in the Chesapeake Bay

Wednesday June 12, 12 - 1 PM
Maryland DNR Headquarters
580 Taylor Avenue, Annapolis
C-1 Conference Room

(Brown bag lunches welcome. Cafeteria on site. Parking in USNA Stadium via Gate #6 on Taylor Avenue)

Top: Microplastics are defined as < 5mm in size. Photo from National Geographic.

Right: Water sample from Back River September 2015. Photo from Julie Lawson.

Featuring Bob Murphy
of Tetra Tech
Consulting and
Engineering

Throughout 2019 the Chesapeake and Coastal Service is pleased to offer monthly "Trash Talks" designed to spotlight the serious impacts of the trash that enters our waters and oceans and becomes "marine debris"

Trash Talks are open to department staff and the public, with the goal of raising awareness about marine debris and some of the local, state, and regional solutions. Please bring a friend or colleague and "let's talk trash!"

580 Taylor Avenue, Annapolis, MD 21401
