

THE VOICE OF LONG HILL

 The voice is crispy, crackling, clear
It has its met-ro-nome
So many times you seek its help
The voice of Long Hill home

 The voice is there for all who seek
The answers it must know
Then call to all within the range
Of tones both high and low

 The voice when done will let you know
If there is no delay
Then bid good-bye to you it helped
By saying letter K.

 The G is next, the middle G-
Then A so sweet and low
You hear it all completed now
K. G. A. then Five-Four-O.

 K. G. A. and Five-Four-O
Will sound with a different knell
The voice has earned a holiday
Kitty's ten-seven and farewell!
