<td>Kept - filed</td>
<td>6</td>
<td>3</td>
</tr>
<tr>
<td>SPOT</td>
<td>Kept for bait</td>
<td>25</td>
<td>5</td>
</tr>
</tbody>
</table>

**MYTH:**
The DNR only cares about striped bass harvest so that is all that I should report.

**FACT:**
You should report EVERYTHING that you catch (keep & release)

**MYTH:**
Report spot that you buy for use as bait on a chartered trip

**FACT:**
Report spot that you catch and keep to use as bait on the day they are caught

**MYTH:**
Report the average weight for each species kept

**FACT:**
Report the total (sum) weight for each species kept

Please call the program's 24 hour Helpline for assistance while using your FACTS account: 1-877-979-1820

**MYTH:**
Report the total (sum) weight for each species kept

**FACT:**
Report the average weight for each individual fish
