ATTENTION ANGLERS

TAGGING STUDY
Largemouth bass in the Potomac River are currently part of a region-wide monitoring project. If you catch a tagged fish, we ask that you report it by calling 1-804-367-2925.

RECORD THE FOLLOWING INFORMATION:

1. Tag number
   Debris may conceal the tag but can be easily scraped away to reveal the number.

2. When caught

3. Where caught

4. How big (nearest ½ inch)

5. Where released, if released

6. When released, was tag intact?

DO NOT REMOVE THE TAG FROM FISH
Once the information is recorded, we strongly encourage you to release all tagged fish so that we may continue to learn from them. Any angler who reports a tagged fish will be eligible for a reward.
