

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.

As of March 31, 2025, Maryland Department of Natural Resources Fishing and Boating Service has not received the listed harvest reports from the identified commercial fishery license holders. These reports were due to the department on the 10th day of the following month. For example, the September 2025 report was due to the department by October 10, 2025. If your name appears on this list and you believe you submitted the harvest reports shown, please contact the department at 1-800-893-2722 or fisheriesharvestreport.dnr@maryland.gov. If your name appears on this list and you have not submitted your reports, please do so now. Per regulation, failure to submit reports in accordance within the regulatorily-prescribed timeframe may result in your fishing license being suspended. Submit completed forms to: Maryland DNR Fishing and Boating, 580 Taylor Ave, B-2, Annapolis, MD 21401; faxed to: 410-260-8279; or emailed to fisheriesharvestreport.dnr@maryland.gov.
