NORTHERN SNAKEHEAD

Maryland Department of Natural Resources and other state and federal agencies are working to determine the spread of the invasive northern snakehead throughout the Chesapeake Bay watershed and how it may impact recreational fishing.

Please report:

- Number of northern snakeheads caught
- Length of northern snakeheads caught
- Location of capture (as specific as possible)
- Take a photo of your catch and email to fishingreports.dnr@maryland.gov
- Harvesting snakehead? **Kill it immediately after you catch it.**
