

As of September 14, 2020 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **August finfish** harvest reports from the following commercial fishermen. These reports were due to the Department on **September 10th**. If your name appears on this list and you have already submitted your August finfish harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than September 30, 2020. If you continue to submit late reports for future months, it may result in your fishing license being suspended.

As of September 14, 2020 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **August finfish** harvest reports from the following commercial fishermen. These reports were due to the Department on **September 10th**. If your name appears on this list and you have already submitted your August finfish harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than September 30, 2020. If you continue to submit late reports for future months, it may result in your fishing license being suspended.

As of September 14, 2020 at 10:00 AM, the Department of Natural Resources Fisheries Service has not received the following **August finfish** harvest reports from the following commercial fishermen. These reports were due to the Department on **September 10th**. If your name appears on this list and you have already submitted your August finfish harvest reports, please contact the Department at 1-800-893-2722 to ensure that your harvest reports have been received. If your name appears on these lists and you have not submitted your reports, please do so no later than September 30, 2020. If you continue to submit late reports for future months, it may result in your fishing license being suspended.
