The screenshot shows the Maryland Department of Natural Resources COMPASS system. The header includes the Maryland logo, the text 'DEPARTMENT OF NATURAL RESOURCES', and the COMPASS logo with the tagline 'Online Licensing and Registration System'. Below the header, there is a navigation bar with 'Home', 'Logout', 'Help', and a shopping cart icon showing '0 items'. The main content area displays a list of categories: Hunting, Sport Fishing, Merc, Free, and Off-R. A green arrow points to the 'Off-R' category. A modal window titled 'St. John's Rock ORV Trail Camping & Daily Use Permit' is open, showing the reservation options. The modal includes a section for 'Select the Type of Reservation' with radio buttons for 'Daily Use Only' (selected) and 'Daily Use and Camping'. Below this, it asks to 'Please enter the number parking spaces of each type that you wish to reserve:' with two dropdown menus: 'Vehicle Only Parking' (set to 1) and 'Vehicle with Trailer Parking' (set to 0). At the bottom of the modal are 'Back' and 'Next' buttons. The background shows a shopping cart with items like '2017 Off-R' and 'St. John's' with prices of '\$10.00' and 'Varies' respectively.

Compass will check for availability of permits for the date(s) you have selected

If no permits are available that date, please choose another date and repeat the process

Thank You!

Please click on the "Print License" link below to access your new or updated recreational license. The license document will open in a new browser tab so be certain that popups are allowed from this website. The license document can be printed immediately and / or saved as a PDF to your computer. You can also login to COMPASS at any time to reprint your license.

Anglers and Hunters! We are proud to be living up to our green roots with the deployment of COMPASS. With the added convenience of email license delivery, we only provide access to our hunting and fishing guides digitally through our web site and no longer mail guidebooks to online and telephone license customers. Providing a digital copy allows you to print the specific pages that are relevant to you, or download the entire guide to store on your smartphone or other mobile device. Additionally, the digital versions never go stale and are updated with the most current information as the license year progresses. If you desire a hard copy of our guidebooks, you may visit any of our more than 200 sports license agent locations, 7 Service Centers and 10 wildlife management areas.

If you do not receive an email from customerregistration@maryland.gov within an hour after this purchase, please contact DNR at 410-260-3220 for assistance.

Please also print a copy of your receipt for your records.

Thank you for using COMPASS.
