

SAVAGE RIVER STATE FOREST SHOOTING RANGE

This range has been partially developed through funds from the collection of hunting license fees. State and local governments, private businesses and citizens have contributed the remainder. This range has been established to benefit all shooting enthusiasts and is open daily from dawn to dusk. There are 10 stations with distances from 25 to 100 yards. During times of adverse weather the range road may be closed.

Use of the range is by permit only. Obtain daily permits prior to setting up to shoot. You may self-register by tilling out a green envelope available at the north end of the building and depositing it with your payment in the brown stand pipe. The cost is \$5.00 per person per day. You can purchase a yearly (individual) permit for \$25.00 or a family (persons residing in the same household) permit for \$50.00. These long-term permits can be purchased at the Forest headquarters or by completing the green envelope and application at the range self-registration area.

RANGE RULES:

- Drugs and alcoholic beverages are prohibited.
- NO fully automatic weapons are permitted.
- Please do not bring your pet to the range or park vehicles on the range.
- Fire from benches **ONLY** and do not shoot when anyone is down range.
- Range capacity is one (1) shooter permitted at each firing bench.
- Use only paper targets.
