

Licensed Tree Expert Information

Continuing Education Credits

..... **only Calendar Year 2022 only**

The Maryland Forest Service (MFS) will accept the following online courses to meet the MD Licensed Tree Experts continuing education requirement (8 ceus) for those renewing Dec 2022 and Dec 2023 (both odd and even numbered licenses).

For those LTEs that are ISA certified arborists, ISA online courses can be submitted but you must submit the course description and proof of completion in order for the MFS to determine if the course is eligible and the number of credits if eligible.

To use: *One form can be used for multiple courses.*

Initial the course taken, sign and date the form and send by mail, fax or email to the Maryland Forest Service by Dec 31, 2022 - for both odd and even numbered licenses. ***There may be a delay after clicking start.***

Course	Link	date	credit	initial
Tree Biomechanics: A Continuing Discussion - an Urban Forestry Today webinar	https://vimeo.com/625770993?embedded=true&source=video_title&owner=28324878	archived	1 ceu	
They're Coming: Disease & Insect Pests of the 2022 Growing Season - an Urban Forestry Today webinar	https://vimeo.com/697080927?embedded=true&source=video_title&owner=28324878	archived	1 ceu	
Safety Update - an Urban Forestry Today webinar	https://vimeo.com/665769095?embedded=true&source=video_title&owner=28324878	archived	1 ceu	
Loading of a Tie-in Point While Climbing	https://www.youtube.com/watch?v=aEaMynLYvEw	archived	1 ceu	

The course link should be 'clickable' if not copy & paste into google or another browser.

First Time Users: Make Sure You Can Connect

If you have never attended an Adobe Connect meeting before, test your connection before the webinar. Go to: https://usfs.adobeconnect.com/common/help/en/support/meeting_test.htm

I declare and affirm under penalties of perjury that the information I have supplied in this Application for Continuing Education Credits is true and correct to the best of my knowledge, information, and belief.
