FY 2024 PROGRAM OPEN SPACE LOCAL PLAN

The following projects are planned in Somerset County to enhance the public's access to quality, accessible and safe recreational facilities. In determining the priorities for Open Space Projects in the county the following factors were considered:

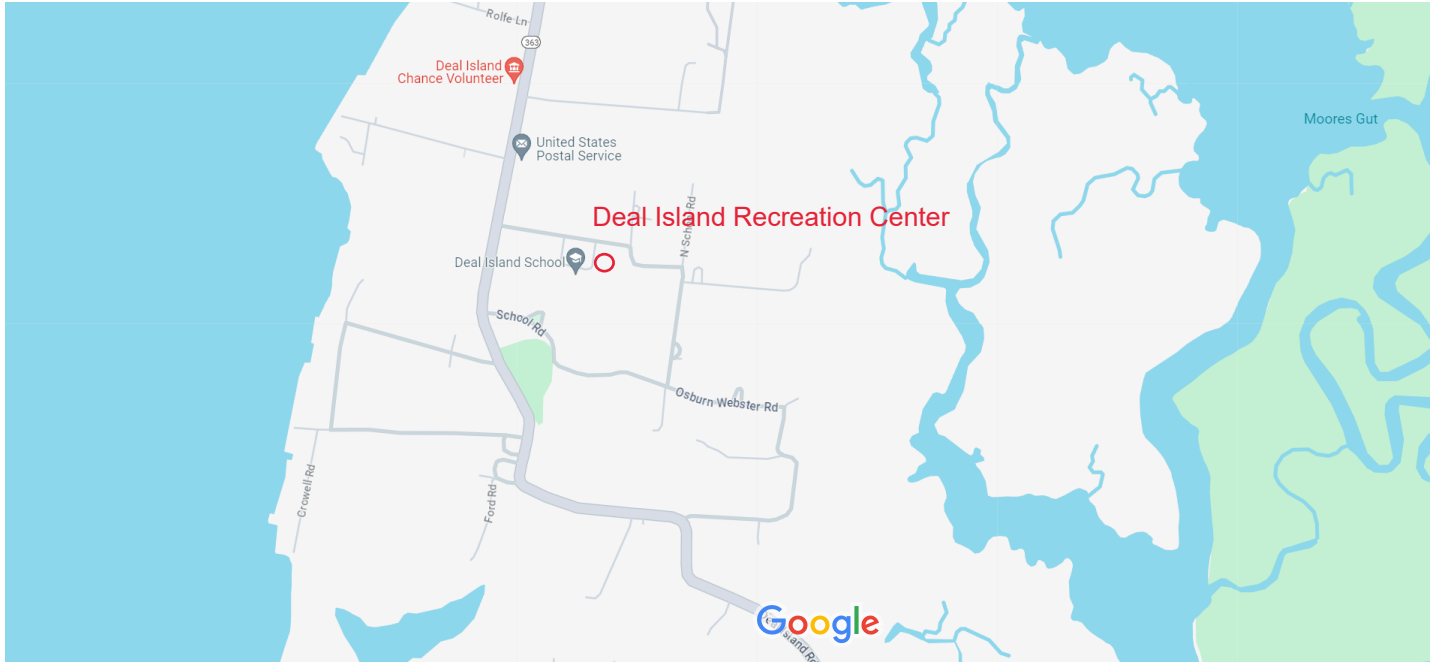

1. Factors identified in our most recent LPPRP
2. The number of people impacted
3. Date of the last POS project completed at the site
4. How the project impacts all residents of the county
5. How the project contributes to the overall health and wellness opportunities for our population

Deal Island ^{Basketball} ~~Tennis~~ Court Rehabilitation

This project aims to improve the condition of the existing basketball facility by resurfacing and lining the area for both pickleball and basketball, improving the basketball standards and fencing and adding other amenities to improve the experience for the users of the facility.

LPPRP Plan Assistance

Somerset County is also considering and exploring potential options for use of our Acquisition funding to expand our catalogue of offerings in areas of need.
