

Project Images Worksheet

To add photographs, simply click on the space for each image and select the photo to attach from your files. All photos must have a caption and photo credit. Photos should be of good quality. All application materials, including photographs, become the property of the National Park Service and may be reproduced by NPS or its partner organizations without permission; appropriate credit will be given for any such use.

A large, empty rectangular box with a thin gray border, intended for users to click and upload a photograph.
