

Recreational Safe Boating Class ONLINE 2020 Schedule

The Maryland Safe Boating Class and certificate are required for boat operators born after 1 July 1972 but everyone can benefit from it. Why? **In 88% of recreational boating fatalities, the operator did not have a nationally approved boater education certificate.**

Safety on the water is every boater's responsibility and knowing what to do—not only in an emergency but also when docking, anchoring and passing another boat—is key to having fun and developing a culture of safety on the water.

The United States Coast Guard Auxiliary will teach the state mandated Recreational Safe Boating Course ONLINE in **2020**.
