7-20-2020 - The safety and well-being of our staff and visitors to Maryland State Parks is our top priority and we take that responsibility very seriously.

With that in mind, Maryland State Parks are open at this time; however, staff will be taking extra safety precautions to mitigate the risk of contact with the COVID-19 virus.

All State Park buildings are closed to the public. At Fort Frederick some public restrooms, campground, picnic area, playground and all trails are open. The Beaver Pond, Big Pool and Potomac River may also be accessed for fishing and boating recreation.

All planned programs, special events and gatherings are cancelled until further notice. The historic fort remains closed due to social distancing and restoration work.

We will continue to monitor the situation and adjust operations as events warrant. This website will be updated as new information becomes available.
