ASP DAY USE BATHHOUSE & BOARDWALK RENOVATION

Please pardon our dust as we perform a much needed renovation of the bathhouse at Assateague State Park's Day Use area. We apologize for any inconvenience this may cause but be assured that the upgrades are worth the wait!

During construction, the north side of the Day Use parking lot will remain open. The boardwalk, concessions/restroom building, and day use beach crossovers are in the construction zone and will be closed. Access to the beach will be shifted to the north to the Youth Group Crossover. Portable toilets will be available throughout the construction phase. Please check back with us in April 2025 for updates.

Follow us at "Maryland State Parks" or our website "Assateague State Park" for updates.
