

**PLEASE EXCUSE OUR MESS,  
EROSION WILL SOON BE LESS!**

## **Shoreline Stabilization In Progress**

**We are working to...**

**Trap sediment  
and ensure  
fishable,  
swimmable  
waters**

**Keep park  
trails intact  
and in use by  
stabilizing  
the shoreline**

**Plant  
thousands of  
marsh grasses  
to support  
native wildlife**
