# **FEBRUARY PROGRAMS - HERRINGTON MANOR & SWALLOW FALLS**

**Knot Tying 101** - Come learn the ropes of basic knot tying! This interactive program will teach the essential outdoor skill of knot tying and will cover several knots used for camping – securing a tent, hanging food from a tree, etc. Great for all ages. All materials will be provided. Meet at the Herrington Manor Ranger Station.

**Reptile Feeding** - Visit our nature center to watch the weekly feeding of our resident black rat snake, eastern painted turtle, and common snapping turtle. Meet at the Herrington Manor Ranger Station.

**Thursday Hike** - Join a ranger for a relaxed, recreational 3-mile hike through Herrington Manor State Park and Garrett State Forest. This hike is casual, family-friendly and focuses on revitalization through being out in nature and exercising. Bring sturdy boots. This event is weather dependent.

**Fat Tire Bike Race** - This is a fun race for all skill levels.. BEGINNER to ADVANCED.. at Herrington Manor State Park and Garrett State Forest. The course will be 3 laps totaling about 10-12 miles; the weather will dictate the specific mix of wide cross-country trails and singletrack trails to be utilized. Registration and more information can be found at <https://highlandsfatbikeseries.com/herrington/>
