*5100 Deer Park Road, Owings Mills, MD 21117*

Volunteer with the Maryland Natural Heritage Program on one or several Serpentine Ecosystem Restoration Project work days this winter. Volunteers will assist by removing non-native Virginia pine and other invasive plants, allowing grasses to re-colonize the area. A variety of methods will be used, including hand pulling, chipping, and use of hand tools. Bring a lunch, snacks and plenty of water. Pack light, with layered clothing, a hat, sturdy shoes, and work gloves. Call 410-260-8568 after 7 p.m. the night before the event to check for inclement weather schedule changes. Space is limited, so registration is required! Email [paula.becker@maryland.gov](mailto:paula.becker@maryland.gov) to register.
