Earth Day Volunteer Event: Join park staff and Chesapeake Natives for a volunteer planting event in honor of Earth Day. We will meet at the pavilions at 11:30 a.m.. All tools and native plants will be provided. Please bring your own work gloves and water. Portable toilets are available. **Registration is required.** To register, please email cierra.maszkiewicz@maryland.gov.

Chesapeake Natives Open House Sale: Join us, 10 a.m. - 2 p.m., for an Open House Sale at [Chesapeake Natives](#), a nonprofit native plant nursery located at Rosaryville State Park. Their native plants are grown onsite from locally-gathered native seed. Chesapeake Natives volunteers will be available at the sale to help you find the right native plants for your space. Please note, **the entrance to the nursery is at 9640 Rosaryville Road** and is not accessible through the main state park entrance on Route 301. More information, including a plant list, will be shared closer to the sale date. Please reach out to info@chesapeake natives.org if you have any questions.
