Chesapeake Natives Native Plant Festival & 20th Anniversary Celebration : Join us from 10 a.m. - 2 p.m. for a day of nature, community, and celebration! In addition to our wide selection of local ecotype native species grown from wild-collected seed in the Chesapeake Bay watershed, enjoy live music, food trucks, educational activities, local artists, and partner organizations. Our knowledgeable volunteers will be on hand to help you find the perfect plants for your space, and to share how LENS support pollinators, wildlife, and a healthier Bay.

Please note, **the entrance to the nursery is at 9640 Rosaryville Road** and is not accessible through the main state park entrance on Route 301. Please reach out to info@chesapeakenatives.org if you have any questions.
