

SUMMER 2025

SELF-GUIDED JUNIOR RANGERS ADVENTURE

Although we are unable to offer our traditional Junior Rangers Day Camp this summer, we are excited to provide a Self-Guided Junior Rangers Adventure as an alternative! This flexible program allows children to explore the park, engage in activities, and earn their next Junior Rangers level at their own pace.

HOW IT WORKS

1. Print a Junior Rangers card from our website or pick one up at the park office
2. Participate in six park programs (see our monthly program calendars for details!)
3. Have the program leader initial your card at each event
4. Once you've collected six initials, you've completed your next Junior Rangers level!

To celebrate all your hard work, we invite Junior Rangers and their families to join us for a fun-filled family picnic at the park at the end of the summer! Enjoy activities with park rangers, games, and quality time in nature.
